If you crochet or knit we need baby booties and hats for our midwife kits!

They have been a huge blessing to my family, the children & youth that we serve blessing us with Laptops loaded with Christian teachings & movies. They have sent Christian Teaching Material to us, school supplies & hygiene kits to use in our outreaches. We are overwhelmed by what they do as they make a huge impact all over the world."

"As a missionary serving in Kenya for the last 17 years with HEART & experiencing many wonderful transformations in the lives of those we serve. GENERAL~

"GoSendMe Global is a mission's organization that serves missionaries & national pastors in their respective areas. One way we offer support to these folks is by helping meet their ministry needs. ESM has been a tremendous resource to partner with in sourcing electronics & training material for those working in international & cross-cultural location specifically. The staff of Eden's Song are exceptional, not only in providing requested items as they are able, but also in their care & concern for those they serve. We highly recommend this ministry as a trusted resource for your ministry needs" Rob Casey, Founder/Director GSMG

"Eden' Song is a nonprofit with heart! A heart full of compassion to the needs of people in need in underprivileged communities around the world, particularly in Africa. Eden's Song, over the years, has supplied our Health Teams International medical outreaches in Cameroon, West Central Africa with medical supplies, maternity kits for pregnant women, school supplies for children, toys for children, computers & communication devices to missionaries in the field. Their service in these domains, as a nonprofit, is highly commendable & appreciated." Rev. John Ngho, Associate Director for Africa, Health Teams International, Inc.

MID-WIFE & FEMINE HYGIENE KITS~

"Hope for Life is a non-profit in Belize working with pregnant women and mothers of infants. ESM has provided us with baby clothes, blankets & washable menstrual pads for the moms. They serve joyfully & we are grateful for their support." Jadine Fritzler,

"Eden's Song Ministry graciously provided new mom kits for a birth center we serve in the Philippines. The items were quality & much appreciated by this incredibly impoverished community. What a blessing to have this ministry available for missionaries to use."

SCHOOL BACKPACKS

"My name is Katherine Joy McDonald, and I am a missionary living in Belize for 36 years. Through the help of Eden's Song Ministry's, I have been able to help single mom families with lap tops and computers to help with on line classes for their children. As well give a lot love packages to many families who are in great need. Last Christmas was a very exciting time for me because of Eden's Song Ministry many families in Belize were blessed with Christmas presents. One was the Freedom House Prison Ministry for men, there are 17 men who are coming out of prison or off the streets and are being discipled and their lives are being changed. The other ministry benefiting from Eden's Song Ministry is the dump ministry There are 5 families living and working a dump near the capital and we have given tons of toiletries & school supplies. Truly Eden's Song Ministry has been a fabulous blessing to me personally & to Belize as a nation."
