SERVE FROM HOME

There are many ways you can serve from home no matter where you live. If you sew, we always need flannel receiving blankets, 6X9 drawstring cotton drawstring bags or stuffed teddies (we have a pattern if you need it).

If you crochet or knit we need baby blankets (tight knit, light yarn) booties & hats for our midwife kits!

If you would like to share an opportunity to donate to ESM within your community, school or at your workplace, ask to set up a collection zone for school supplies (we can email a list), travel hygiene products, receiving blankets as well as flip flops.

THANK YOU.

HELP SUPPLY FOR OUR FEM KITS

So many girls are forced to stay home from school for a week every month because of their period. To keep them from missing school, ESM provides washable feminine pads that last them 18 months at a time. If you sew, we could use your help. Peggy will contact you to teach you how to make the pads or other items we need like drawstring bags. You can also donate colored washcloths, size 10-14 panties, gallon Ziploc bags or flannel.

YOU'RE *Changing* LIVES THROUGH YOUR GIVING

It's been an exciting year of MORE. We've shipped more product than ever before and gained more donors, more partners, more missionaries and more volunteers. We have also supported more ministries & mission teams. We now have a sewing team of 4 women who sew from home, then meet monthly to assemble the feminine hygiene bags. Our 3 weekly teams consist of 14 dedicated women who, in 2023, assembled & packed 1580 school backpacks, 550 midwife kits, 200 feminine hygiene bags, 200 men & women's gift bags. Roy has shipped 19 iPods, 29 tablets, 9 desktops, 39 laptops & 29 Kindle Readers plus 125 earbuds & battery packs (that Roy designed and created). We also have 6 outside teams collecting and sewing for us. Our teams are amazing and are truly committed to our mission to Serve Those Serving Others.

Some of the new kits we will begin providing in 2024 are Grooming Gift Bags for Women and Men (the missionaries request these often for their leaders, teachers, staff etc.), Homeless Blessing Bags (for local homeless as well as some of our US missionaries who evangelize through homeless outreach) & Senior gift Bags (for our local senior centers as well as some of our US missionaries who evangelize through Senior & Care Homes). We are also offering small blankets for our preschool backpacks, baby and mama gift bags for our Life Choices Prolife Center to use as a gift when the couple chooses to keep the child and attend classes & will continue providing Hospital Gift bags for hospitalized children.

WHERE ARE WE GOING THIS YEAR?

Thank you for partnering with ESM! As we move into our 18th year of Serving Those Serving others, we are touching well over 150 missionaries & those they serve by providing them with the resources they need to bless those they serve and help them become more self-sufficient.

In 2024, Roy & I look forward to increasing our care for the missionaries by expanding our on-line Resource & Learning Centers. We are also developing a prayer team to intercede for the missionaries and countries they serve as well as increasing the number of volunteers to work alongside us. Email Deb for information on becoming a team member.

We also look forward meeting with the leadership teams to update the kits! I've sent out a note to our missionaries requesting their feedback on what we include and we're excited to hear back from them so we can streamline and improve our products.

Roy produced a new addition to what ESM offers in the way of electronics as well; a new portable battery pack out of laptop batteries, new cases & a 3 prong charging cord. The missionaries love them!
