MEET YOUR MISSIONARIES

Claudia & Camilla Bernhardt – Chimoio, Mozambique

Claudia moved from Germany to begin her work in Pemba, Mozambique in 2005. Since then, she & her husband, Camilla, have chosen to live in Chimoio to develop an amazing ministry for the people of Mozambique.

Claudia's update:

In February Camilo & I went to Tansania (our neighboring country in the north of Mozambique) for 2 weeks, to Sansibar, to be specific, very well known as a tropical island, tourist destination, and yes, there are nice beaches, but the history of the island is dark. For a long time Sansibar was used as the center of the slave trade in Southeast Africa. There were many countries occupying, wars and exploits. The sultan of Oman brought a radical islam to the island and they are muslims until today. We went to different places as the spirit led us and couldn't find not even one church. We almost couldn't believe it. We felt though that there was an openness to the gospel if it was presented in the right way and at the right moment. We found favor everywhere we went and built relationships, so we know where to start when/if we come back. We felt for a long time there are different places in Africa where the Lord will send us for the sake of the gospel to spend a longer time there.

MEET THOSE THEY SERVE

Raising up churches – In the first picture you can see one of the new church plants in the northern part of Mozambique. The members used to be Muslims or just believe in good and evil spirits. The founders is one of the caregivers of our children. The Lord put a certain area in his heart and he went there by faith.

The Children - In the second picture, 92 children were sent to school with school supplies which ESM was honored to assist in.

Prison Ministry – The last picture is of a service in the women's prison. It was freezing cold & raining, but that didn't keep them from worshipping the Lord together!

Hospital Ministry – With daily prayers & visitations

Monthly Youth Services – So many youth being touched

The House Of Prayer - A place where people from different churches come together to pray, worship & seek God's Face. Quite a large part of the building material is purchased & they are working toward ownership & the building permit.

TESTIMONIES FROM A FEW OF OUR MISSIONARIES!

“Eden's Song is honored to serve the missionaries of the world.

I lead a small non-profit mission's project in Rio de Janeiro - Brazil, working with at-risk young people in a favela (slum), and also in community disaster preparedness and response initiatives. This project has been very blessed to have received donations from EDENS SONG MINISTRY, including notebook computers which are used by the young people for study and a computer course. Other donations have included backpacks that have been donated to teenagers for school use, iPods and speakers, and even an iPhone 3 which was given to one of our teen leaders when his cell phone passed away. EDENS SONG MINISTRY has truly made a difference for our young people and our community, and I strongly recommend this ministry to all those who desire to effectively partner with grass-roots missionary projects throughout the world. Paul Cull, CERT Brasil - Nova Friburgo - RJ, Brazil

This ministry is truly rewarding! When we collect, pack, ship midwife kits, backpacks, electronics and more to the missionaries going all over the globe then they send pics back to us, it means the world literally to see the smiles on the little faces and the mommas get something to safely have their babies! My life is forever changed! M. Smith – Volunteer Leader

GoSendMe Global is a mission's organization that serves missionaries and national pastors in their respective areas. One of the ways we offer support to these folks is by helping to meet their ministry needs. Eden's Song has been a tremendous resource to partner with in sourcing electronics and training material for those working in international and cross-cultural location specifically. The staff of Eden's Song are exceptional, not only in providing requested items as they are able, but also in their care and concern for those they serve. We highly recommend this ministry as a trusted resource for your ministry needs. GSM staff

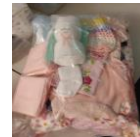

MEDIA4MISSIONARIES

It's been a BIG few months in the Media Department and Roy has been busy at it. The Kindles and Laptops have taken precedence this year and we are running low. *If you have Laptops, Kindles, Kindle Fires or Tablets that you are no longer using please consider donating them to us!* As long as they are no older than 5 years, we can update them to send overseas. These are invaluable to our overseas missionaries, their leaders and Pastors. We also use them for school teachers. The Kindles hold thousands of books that they would never be able to get overseas. We have one ministry that uses them in their school library for the kids to check out or read sitting in the library. The Laptops make it easier for the traveling pastor's or those that are in remote areas. We also add our Learning Center so they are 'fed' wherever they are. This is a huge part of our ministry & we appreciate those of you called to support this area!

KITS & PROJECTS

Thank you for the outpouring of response to our request for baby blankets. Because of your generosity we were able to provide gift bags for mamas-to-be at Life Choices Clinic. This will be an ongoing project but we started out with 50 bags filled with baby blanket, newborn outfit, booties and hat as well as a beautiful hand-made bag for mama filled with beautiful surprises such as jewelry, bath gels, shampoo & a Bible.

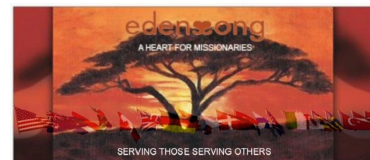

We are finishing a project of 120 Backpacks & 36 Feminine Hygiene Bags for a couple returning to their work in the Philippines. Then 4 more large projects for Belize, Uganda, Kenya as well as a school backpack outreach sponsored through our church for our surrounding communities.

And our greatest need this next few months is FLIP-FLOPS. We add a pair in each of our school backpacks. Many of our children do not have a decent pair. Now is the best time to find an affordable price for the 1000 pair we need to finish out the year.

WE CAN DO THIS. IT'S ALL SO EXCITING!

**Thank you for stepping out of your comfort zone to help ESM
Serve Those Serving Others.
This isn't just our mission statement, it's a lifestyle!**

THIS MONTH ROY & I, ALONG WITH OUR TEAM AND ALL OF YOU, CELEBRATE 16 YEARS OF EDEN'S SONG MINISTRY!

16 Years of serving missionaries all over the world with backpacks, laptops, desktop computers, mid-wife kits, Kindles, iPods, feminine hygiene bags as well as offering a Learning & Resource Center & sending 6 of our Bungoma boys to high school each year. So what do we do to celebrate?! We GIVE. You can make this mission field your own! It's easy....
