PLEASE PRAY FOR RICK'S FINANCES AND PROVISION AS HE
WORKS WITH THE KIDS

Rick hails from Georgia! His missionary life began while working alongside another missionary team we work with, Jamie & Angela Lingerfelt. Rick traveled with them while also helping them on their farm & with their local radio station when he was in the US. His first trip to the mission field was with the Lingerfelt's visiting Maurice Odhiambo, Manna Missions Ministry, in Kenya. Rick fell in love with Kenya and the children and vowed to return one day. After a few trips with Lingerfelt teams to other countries, he decided to go back to Africa. During a 6 month stay in Kenya, he visited a ministry in Ghana and fell in love (again), this time with the village life! He returned to Ghana 3 months after coming home to the states & stayed another 6 months evangelizing the people in surrounding villages as well as teaching at the school. Rick now spends most of the year in villages of Ghana, especially Atebubu where he teaches school. 2 years ago he began a children's program, "Super Book Sunday", after church on Sundays. Super Book Sunday started with about 5-7 children and now boasts over 300 each week. He also works with widows and a local church supporting Jesus Healing Power Ministry while teaching discipleship classes. We love Rick & hope you'll join us in praying for and with him. Through Eden's Song you send school backpacks and grooming kit gifts each year with Rick.

YOU'RE *Changing* LIVES THROUGH YOUR GIVING

Speaking of the LINGERFELT'S! Roy & I work closely with Jamie & Angela as they develop teams to send them around the world into the countries of Kenya, Haiti, Honduras, India, Panama, Peru, Trinidad and the United States. Jamie & Angela are Pastors as well as serving the homeless and preaching in men's drug rehabilitation centers. They also run a radio show, The Voice of Encouragement & travel Georgia sharing with churches & in Conferences. They do all that while raising 3 girls who follow in their footsteps as missionaries & preachers in their own right.

YOU pour into this ministries through your donations as many times a year ESM ships Media Products, School Backpacks, Feminine Hygiene Bags and women's & men's gift backs to them for their missionaries and local ministries. Hundreds of children are blessed with yearly school supplies, flip flops, grooming bags and more. Pastors and missionaries are equipped for their work in the field as they receive Laptops, Kindle readers and Fire Tablets. Many of various ages are also touched through the audio bible and worship music contained in the Ipods ESM provides. YOUR contributions make all this available!

WE'RE OFF TO THE RACES

Roy is providing Laptops, Ear Buds, Power Packs & Kindles at an accelerated RATE!

Last year Roy began developing Power Packs (provided with a cord of 3 chargers) for our missionaries to use where the electricity is sporadic or for plane/car travel. We sent them to a few people hoping they'd find them useful. And then we began getting multiple requests. We are excited to find new ways to SERVE missionaries.

We've also seen an increase in the need for laptops and the desire for Kindle readers as well as tablets. (YES, we can use donations as long as the tablets work and are in good shape. We ask that the Laptops are under 5 years old but Roy can take them non-working and refurbish them. Please make sure they are wiped of your information. AND we can use your working blue tooth ear buds as well!)
