

# DECEMBER 2022 MERRY CHRISTMAS & HAPPY 2023

## WHAT DID YOU & ESM DO IN 2022!

Together we partnered to ship out over 2500 kits into dozens of countries around the world helping to deliver babies safely, sending children to school with the supplies they need for the year & offering continuing education for girls by providing hygiene options during their menstrual cycle. We also assembled specialty kits such as hospital gift bags for the children after their cleft palate surgery, gift bags for our local Life Choices Clinic to offer mom's choosing life, women's & men's grooming bags for seniors, teachers and leaders in many countries. We were also able to supply schools & orphanages, Pastor's & Missionaries with laptops, iPods, Kindles and tablets. Here are pictures of some of the fruit you sowed into.

## Thank you for stepping out to help ESM Serve Those Serving Others.

WHAT DO WE DO? ESM provides resources for missionaries around the world to serve those they have partnered with as well as to evangelize the nations. We do this by providing humanitarian items such as what you see in our newsletter as well as resources to enhance the lives of those they serve.

WHAT'S IN YOUR HAND? ESM is looking for people to join our assembly, sewing or media team. We have 2 teams that meet in Asotin; one every Thursday at 11AM & an evening team that meets twice monthly at 5PM. Meet with Peggy to learn how you can help sew for the feminine hygiene bag ministry. Roy heads the media team & will direct you in those projects.

TAKE IT HOME WITH YOU. There are many things you can work on to serve ESM & our missionaries from home including sewing teddy's, baby blankets & tote bags, knitting baby booties & hats or working on media projects.

WHO DO YOU KNOW – SMALL GROUPS, CHURCHES, or WOMEN'S MINISTRY? You can share what we do with others! They may know missionaries who can use our help or they may want to learn what we do and start their own group or they may even want to join our team. For more information contact Deb @ edensong@gmail.com

## What you can look forward to As a partner in 2023 as we continue to Serve Those Serving Others.

We could set # goals for next year, but that's never been a big factor to ESM. We just want to serve as many missionaries & their teams as we can, however we know we can't do it all ourselves. So this year Roy & I plan to share what we do with churches, teams or small groups so that others will take the mantle & run with it-in their own way. ESM's only goal has been to let those with boots-on-the-ground know that we are cheering them on; that we'll help provide for those they are serving in the best way we know how; offering resources, teams & products that will encourage those they serve to be self-sufficient. Or as we like to say, God-sufficient.

Of course we will still be assembling kits & media needs, as well as funding our projects with the Bungoma Children's Home, so we appreciate your on-going donations throughout the year, whether monetary or product wise. You can pay your offerings through Pay-Pal on our website's homepage or by check or cash! ESM also has wish lists on Amazon & Dollar Days for you to pick out your own gifts for our kits. You can find all the links at the bottom of the 2nd page under **DONATE**.

## MEDIA4MISSIONARIES

### Did you know....

**Together we have placed 140 Laptops, iPods, Kindle readers & tablets in the hands of missionaries this year while building 15 Computer Labs in 20 countries since 2013 featuring 93 stations.**

It has been a wondrous year of celebration around the world as missionaries opened boxes filled with electronics to bless their selves or office as well as to assist their Pastor's, leaders, teachers and students. On top of that is our Learning Center providing conferences & classes in the cloud as well as our on-line Resource Center which connects outside sources or teams with our missionaries.
