

JUNE 2022

MEET YOUR MISSIONARIES RICK BADOIS

Rick lives in Buford, Ga and began his missionary journey working alongside our wonderful friends and missionaries, Jamie & Angela Lingerfelt. Jamie & Angela are sending missionaries (raising missionaries and sending them out) & when Rick felt the unction of God's call to go to the nations they invited him to join their team heading for Kenya. For Rick, that was just the beginning he needed. He began saving & traveling trip after trip. Last year he joined a team in Ghana village, falling in love with the people. Eden's Song helped him purchase a vehicle as well as the Jesus movie with a projector & screen. For Rick, there was no turning back. He now makes 6 month visits bringing many people to know Christ's love. His grown children champion his love for Africa, encouraging his trips. ESM has been blessed to provide many media needs as well as school backpacks and feminine hygiene bags.

MEET THOSE THEY SERVE KENYA, INDIA AND GHANA

Rick loves evangelizing everyone he can find, but he also loves the children. Whether at Manna Academy in Kenya, India or the villages of Ghana you will find Rick surrounded by kids, passing out Bibles, showing the Jesus Film, teaching or preaching. He always has a huge smile on his face and his heart of a servant is just as big.

TESTIMONIES FROM A FEW OF OUR VOLUNTEERS!

"Eden's Song is honored to serve the missionaries of the world."

Come join our Thursday Mission's Minded TEAM!!

"Roy&Deb Killian and Eden Song are best thing to happen to LC Valley when it comes to missionary work. Hooray for them!"

"It's an honor to work with a nonprofit like this. Their mission statement is 'Serving Those Serving Others' and that is exactly what they do. Whatever missionaries need to serve the people they are working with, the Eden's Song team does it's best to accommodate. That may be with clinical or wound care supplies; backpacks for the orphans filled with school and grooming supplies as well as flip flops and toys depending on the age; midwife kits containing the medical needs as well as a baby blanket, 4 outfits, booties and a gift for the mom. During yearly travels the founders, Roy & Deb, search for new ways to help, updating the on-line resource center with new ideas constantly."

"The first thing that caught my eye when searching for a new nonprofit to be part of was Eden's Song Ministry's (ESM) mission statement: "Serving Those Serving Others." This humble and powerful focus of their efforts drives them to physically, psychologically, and spiritually buoy missionaries already in the field. Growing up as a missionary kid, I have seen the incredibly sustaining effects this type of support can have, often allowing missionaries to serve for longer and with more energy and hope. I highly recommend ESM as good stewards of what is donated, hard workers, and faithful servants."

MEDIA4MISSIONARIES

One of the most exhilarating moments is when a young person is overwhelmed over the possibilities that lay in front of them. With our Computer Stations we are able to provide just that AWE in their lives. Their eyes are opened up to the world in front of them as their fingers hit the keys. We offer a desk-top computer, flat screen monitor, keyboard, mouse & pad. Roy completely refurbishes & updates the computer with new software while adding educational games for the kids. Eden's Song has been blessed to start over 20 centers around the world. 2 are community centers of over 20 computer stations each; one in Kenya and one in Belize. They provide after school homework hours, adult training for job searches and even open hours for weekend research. Our Stations are also located in private schools, after school programs & orphanages.

KITS & PROJECTS

GREATEST NEED: FLIP-FLOPS. We add a pair in each of our school backpacks. Many of our children do not have a decent pair. Now is the best time to find an affordable price for the 1000 pair we need to finish out the year. Children sizes small – X-large.

Our sewing team is hard at work. This team provides not only the Feminine Hygiene Bags we ship around the world, but also helps Mechelle with the Teddy's for our little ones, Drawstring Bags for our Mama's Gifts & Receiving Blankets for our Mid-Wife Kits. We have so much going on that they could use a few more hands. Join this team & sew or crochet from home while blessing children, babies & Mama's-to-be! Peggy will get you started by sharing patterns, how-to instruction & answer any questions you may have!
