**MEET YOUR MISSIONARIES**

**Rob Casey**

Rob Casey is the founder & director of GoSendMe Global, a training & sending ministry. Regardless of where or to what you are called, GoSendMe (GSM) Global comes alongside those who believe that they are to serve God by serving others both locally & around the world. GSM's agenda is to make the work of each one of their missionaries as Kingdom-successful as possible. As a result of their unique approach to Christian ministry & training people for working in cross-cultural settings, they have a footprint of changing people's lives in over 30 countries within a vast array of Christ-centered ministries ranging from anti-human trafficking, orphan care, construction projects, water-wells, starting churches to name just a few. They like to say "Your mission IS our mission." GSM Global is working toward a vision to see nationals reach the nations & communities around the world transformed by the love of Jesus Christ. As their missionaries raise their living, ministry & reserve fund costs, GSM raises a fund which pays for the training, support & resources necessary to develop healthy biblical communities both here in the US as well as around the globe. Rob travels the world holding candidate orientation classes to commission new missionaries & those going into new countries as well as visiting & overseeing planted missionaries.

**TESTIMONIES FROM A FEW OF OUR VOLUNTEERS!**

**Eden's Song is honored to serve the missionaries of the world.**

"Eden's Song is a Huge Blessing! I have been serving as a missionary for over 12 years. I didn't know a ministry like ESM existed. They have been a huge blessing to my family, the children & youth that we serve. They send Laptops loaded with Christian teachings & movies as well as Christian Teaching Material, school supplies & hygiene kits to use on our outreaches. We are overwhelmed by what they do. They are making a huge impact all over the word. If I could, I would give them 10 stars! They are Amazing! Please pray for them & give financially if you are able. God Bless you!" Crystal Mag, Philippines

"Hope for Life is a non-profit in Belize working with pregnant women and mothers of infants. Eden Song has provided us with baby clothes, blankets, and washable menstrual pads for the moms. They serve joyfully, and we are grateful for their support." Jadine, Hope for Life

"The lap top you provided me is the tool I needed to complete a writing project that is a major part of our curriculum. THANK YOU for the tool I need for doing this work for the LORD & His kingdom! Those who utilize these studies will never be able in this life to thank you personally but on their behalf I THANK YOU!!!" Belize Bible School student

**Missionaries are a unique breed.**

**Brian Simmons**

**They leave behind what most of us chase after. God calls them to leave family & lands behind to further the cause of the Kingdom of God.**

**They step out in faith to witness the miraculous.**

**They live in different nations, face different test & trials & adapt to different cultures.**

**Missionaries experience pressures that most of us will never have to encounter. They lay down their lives for the sake of the Gospel.**

**Our missionaries are God-drenched lovers who have given their lives to touch the poor & needy of the earth, wherever they may be found.**

## MEDIA4MISSIONARIES

Our first & still beloved offering is still going strong. Through our amazing iPods, age groups of all kinds are able to glean the audio Bible, dance & sing to worship music, learn from conferences & teachings as well as sit around the table at night to get involved in an old radio show like Lone Ranger or Superman. In the Kibera slums of Nairobi, our Tammy Marie runs an after school program for the young men. We sent her home with computers, iPods and Kindles. This young young man, Fidel, used his iPod (that he won with good grades) & turned it into a money making venture by becoming a rapper & DJ. They are also a blessing for Pastor's in the bush with no physical resources.

**Please donate your old, laid aside or nonworking items. Roy refurbishes, upgrades & makes them like brand new before shipping them out!**

## KITS & PROJECTS

**GREATEST NEED: STUFFED ANIMALS FOR SMALL HANDS.** Each child receives one in their school backpack. Many of our children do not have a best friend, something to snuggle with at night or to hold during a time of sorrow. Our littles have been through a lot & have often never had a teddy bear. Mechelle makes enough per year to fill about 3-600 backpacks (One year she made 1000!!) which leaves us still in need. If you would like to make these easy to sew teddy's, we would receive them with grateful hearts. We have a sample, a pattern and leave your creativity to draw or sew on faces. They are about 8" when finished.

We also send small store bought stuffed animals About 5-6" is a good size but no bigger than 8".

**WE CAN DO THIS. IT'S ALL SO EXCITING!!**

**Thank you for stepping out of your comfort zone to help ESM  
Serve Those Serving Others.  
This isn't just our mission statement, it's a lifestyle!**
