CREATING A CULTURE OF MISSIONS Jadine Fritzler – Founder & Director Hope for Life (A Pregnancy Center)

Craig and Jadine Fritzler have lived and served in Belmopan, Belize since 2007 directing the Belize Bible Center. In 2010 they began building their permanent foundation for the school. Roy & I met them youth Pastor of our church took a team of adults & high school students on a mission trip to work with the Fritzler's. Since then ESM has supported the Bible Center with computer stations & laptops.

In August of 2014, Jadine founded Hope for Life, a pregnancy care center. Hope for Life is a Christian organization dedicated to offering love, emotional support, and material help to women with unintended pregnancies; encouraging sexual integrity; and sharing the good news of hope and life in Jesus Christ. In Jadine's own words, "we have served over 900 women and are currently serving over 225 women. These numbers represent people. They represent families. Each woman comes to us with her own story, fears, joys, sorrows, and challenges. We count it a wonderful privilege to be invited to share in someone's life and walk with them throughout pregnancy and their baby's first year."

As well as counseling they also offer 3 free classes: Childbirth Education Breast Feeding Infant Care Eden's Song also provides Mid-Wife kits, Baby clothes, blankets and accessories.

You can continue helping to support our friend's by donating children's clothes sizes 6 month – 18 months.

4 WAYS YOU CAN ALSO 'GO TO THE NATIONS'

When we think about "going," it's easy to immediately start thinking about packing up everything we own to head out to a foreign country & live as a missionary. And while that is a *part* of it, that's not *all* of it. Sometimes it is helping & encouraging those that can go. Join ESM as we Serve Those Serving Others.

"This never gets old! The opportunity to place these in the hands of those with a heart to make a difference in the lives of others. This fans the flames and reignites the passion of my heart to burn with a fire that can never be contained. It's a fire that never was meant to be contained but contagious spreading like a wildfire! A wildfire that blazes in the lives and hearts of all we encounter spreading the passion and love of Jesus everywhere." Angela Lingerfelt said this as she gave 100 of our school backpacks to a team as they left to bless those they've been called to! You never know how much your donations make until you see the smile on a child's face as they receive the gift of a school backpack. The sacrifice you make to donate goes a long way as the children see the love of Christ through each gift. 2 Corinthians 9:10-11 "This generous God who supplies abundant seed for the farmer, *which becomes* bread for our meals, is even more extravagant toward you. First He supplies every need, plus more. Then He multiplies the seed as *you sow it*, so that the harvest of your generosity will grow. ¹¹ You will be abundantly enriched in every way as you give generously on every occasion, for when we take your gifts to those in need, it causes many to give thanks to God." **SPONSOR A SCHOOL BACKPACK FOR \$25**

It's been really exciting in the Media department working to fulfill the needs of new missionaries as well as the regulars beginning to travel again. Roy has been busy refurbishing laptops, iPods & Kindles as well as updating them with new uploads. He has also taken time to revise our Learning Center, which provides overseas missionaries with conferences, teachings, bible studies and more. This all provides our missionaries, their Pastors & leaders with the ability to stay updated while receiving the spiritual fire to keep them working for the harvest & bringing a 'new' word for their people. In Guatemala, our missionaries wanted to work with youth in tutoring them for higher education! ESM was able to offer 4 laptops to kick off their project & provide the tutors with what they needed!

Mid-Wife Kits

SPONSOR A MID-WIFE KIT FOR \$15

We are especially fond of our first love! MW kits were the first of all our kits. The passion arose in Bombo Uganda as we visited a new clinic. The doctor took us to their Birthing room complete with new electricity & we were astonished at the lack of medical supplies & tools needed for safe & sanitary births. When we arrived home Roy & I immediately began working with a labor & delivery nurse as well as a Mid-Wife & put together a needs list. We went to hospital after hospital until we got everything we needed to ship to the missionary in Uganda that worked with this doctor. It took every bit of our savings to ship it all (& taught us the wisdom of sending things through missionary teams) but the benefit of the sacrifice was worth it all! Now their clinic is self-sufficient & running well.

Feminine Hygiene Bags

One of our missionaries living in Kenya holds a Bible "GLOW" camp for girls 3 times a year & ESM provided Feminine Hygiene Bags for all 100 of them. It took a few camps to be able to offer each young lady their own bag & they were so proud & excited. One day a girl had hers stolen. She was distraught so Grace wrote to me to tell me what happened. We were able to add another feminine hygiene bag in our next shipment! Grace surprised her with it & she was so happy. Thank you to all of you who donate washcloths, zip-lock gallon size baggies, girl's panties sizes 10-16, colored flannel, cotton & snaps. We thank all our volunteers & especially Peggy for her leadership & passion for this project!
