

APRIL 2025 NEWSLETTER EDEN'S *Song* MINISTRY

MISSIONARY UPDATE CRAIG & JADINE FRITZLER – HOPE FOR LIFE

The Lord is extending our borders! We have begun a new outreach to Toledo, the southernmost district of Belize. Toledo is often called the forgotten district, with a predominantly Mayan population living in small villages. Last month we held our first meetings in Indian Creek, with 20 women from six different villages to spread the word that there is hope & help available to women during pregnancy & their babies' first year. Each time we meet, we discuss a topic relating to maternal care or infant care as well as share the good news of Jesus, the true source of hope. Valley of Peace is an isolated village with a growing population, mainly Spanish-speaking, only a 25-minute drive from us but with little public transportation to the city. We currently have ten women from Valley in our program & beginning in May we will be taking our services to them each month. We are expecting many other women from Valley and surrounding villages to join us. New Hope is more than just a shelter – we're a refuge, a family, and a fresh start for single moms and women escaping abuse and poverty. Through faith, practical skills, and a supportive community lives are rebuilt.

TESTIMONY:

- Last month Rocio found an apartment not far from New Hope and began living on her own for the first time. She was hesitant and felt like she wasn't ready, but told us after the move that she was confident she could make it. She has a full-time job at a local ministry. God has done a lot of healing work in her life & we're happy to see her moving forward, one step at a time.

Along with keeping Hope for Life and New Hope running, Craig continue to mentor men in leadership, whether business owners, Pastors or missionaries. He also heads the discipleship classes in their church, both teaching & supporting other teachers.

YOU'RE *Changing* LIVES THROUGH YOUR GIVING

Testimony A thank you/testimony from Time for Revival Co-Regional Director who lives in Cameroon.

LETTER OF THANKS TO ROY AND DEBI KILLIAN WITH EDEN'S SONG MINISTRY

"Praise be to our Lord Jesus Christ who makes all things good in their time. I am a servant of God living in the city of Yaounde, the political capital of Cameroon, a country located in central Africa. Through your care & through Pastor Joël, I received a precious gift: a new laptop while I was on mission in a West African country called Benin. May the peace of our Lord Jesus Christ remain yours, and may the God who provides continue to use you to bring joy to the hearts of your fellow human beings. In return, may He fulfill the desires of your hearts and continually fill you with His Holy Spirit. My joy is all the greater because at the time I received this computer from Pastor Joël in the Republic of Benin, my son in our town Yaoundé in the Republic of Cameroon informed me that bandits had entered our house and stolen my work computer the previous day. God bless you all unlimited and remain blessed all your life long."

Another need is receiving blankets (36"x36"), drawstring or zippered bags for our mama gifts (7"x10") & stuffed teddy bears (we have a pattern). You can do this from the comfort of your own home or get a group of gals together to serve the nations!
